The Board and Superintendent form one of the most important teams in the Northland School Division and as such the communication between them needs to be very strong and effective. This appendix is designed to help enhance communication and is not intended in any way to interfere with the roles and responsibilities, or authority of either.

These guidelines are in addition to the guidelines about communication in policies:

- Policy 2 Role of the Board;
- Policy 3 Role of Trustee,
 - o Policy 3 Appendix B Trustee Working Relationships
- Policy 5 Role of Chair
- Policy 12 Role of Superintendent

GUIDELINES

A. GOLDEN RULES OF COMMUNICATION

- a. Model Policy 1 Foundational Statements at all times (see also Policy 2 Role of Board, Policy 3 Role of Trustee)
- b. Remember to deposit into other's emotional bank accounts with the words you choose and the way you say them.
- c. Keep confidential information, confidential no exceptions.
- d. Before sharing information from a conversation ensure the person who provided you the information is okay with you sharing it.
- e. Confirm understanding of communication:
 - Email follow up to phone conversations to ensure understanding and a record of information shared and actions to occur where feasible. Generally administration will follow up with email however, the trustee too has a responsibility to ensure there is understanding.
- f. Remember decision-making is made up of an education perspective and political (community) perspective.
- g. Communicate, Communicate, Communicate

B. EDUCATION PROGRAMS/INITIATIVES

(see also Policy 12 Role of Superintendent).

- a. Engage the Board with regard to the structure and community engagement process of significant, or potentially controversial, education initiatives/programs. When determining what items involve significant change, or have the potential to be controversial, the following factors are for consideration:
 - i. Traditions, cultures and practices vary extensively by community;
 - ii. Potential for it to be controversial the larger the change being proposed, the higher the chance for controversy.
 - iii. Using the services of an elder, expert or consultant outside of the division.

- b. Engage the Board to provide input and/or approval as required into major education initiatives such as, but not limited to:
 - i. Approval and implementation of locally developed courses;
 - ii. Major program initiatives: Flexible learning, family wellness workers program
 - iii. Attendance;
 - iv. Land-based learning framework;
 - v. Pilot projects;
 - vi. School year calendar concept.

C. HUMAN RESOURCES

(see also Policy 16 Recruitment & Selection of Personnel)

a. Through various processes, practices and communication the Board will be assured that Northland has strong human resources policies and procedures so they can confidently say "we have good, lawful and fair processes and they are being followed in all instances".

D. INFORMATION SHARING

(see also Policy 12 Role of Superintendent)

- a. Superintendent shall keep the Board informed about what is going on in the division ahead of public knowledge:
 - i. To enable them to fulfill their role effectively;
 - ii. Ensure they have the information they need so they can answer questions in a professional, informed manner, for example:
 - 1. If there is something that has a possible political implication that may cause a trustee to have to respond to the community;
 - 2. Major staff changes (i.e. teacher transfers, appt. of senior staff, principals, staff termination); and/or
 - 3. A critical incident in the division.
 - iii. Division initiatives that might result in questions to trustees from their communities:
 - 1. Purpose of professional development, especially a session involving large staff travel
 - 2. Northland Games location, purpose and attending participants
- b. Trustees shall keep the Superintendent informed about communities to help ensure he/she can fulfill their role effectively.
 - i. Equipping him/her with all information to help make great decisions or handle issues/concerns effectively.

- c. Superintendent shall keep the Board informed of division media releases 1-2 hours prior to their release with the exception of media releases by schools about school events. Notwithstanding this exception:
 - i. The Chair will receive all media releases prior to their release, with time to provide input;
 - ii. Social media releases related to things that could be politically sensitive will be approved by the Superintendent and the Chair based on the item;
 - iii. Questions about any media release are to be directed to the Superintendent.

E. ISSUES

(see also Policy 12 Role of Superintendent)

- a. Trustees need to be informed as soon as possible when a critical incident occurs so they are not "blindsided" and also so they are prepared to answer questions.
- b. If the Associate or Superintendent sends out information about an incident, trustees should provide them with any additional information they have about the incident, regardless of whether the information is accurate, it should be shared.
- c. There is an understanding that the Superintendent cannot always share complete/exact details with trustees due to privacy and/or process rules.
 - Example: An incident occurred between 2 staff members, a trustee may hear about it, let the Superintendent know immediately. Then the appropriate action can be taken. The Superintendent will keep the Board informed as quickly as possible.
- d. The Board needs to be confident that action is being taken although they may not be aware of the details (if confidential). This is part of their governance monitoring role but also assists them to answer questions within the community. The action might not have political implications but is important for the Board to know.
- e. Inform the Board when an incident has happened;
 - i. Include information about the process;
 - ii. Keep the Board up to date on the process moving forward, including some detailed information about what is occurring;
 - iii. If information is sensitive, state what can and cannot be shared;
 - iv. Include suggestions on how to communicate information, especially if it is sensitive.
- f. Communication of decisions shall generally be shared with the Board prior to the decision going public:
 - i. Let the Board know about a principal or key position hires, promotions or any other substantial change 1-2 hours prior to it going public;
 - ii. Inform the Board of substantive staff discipline type incidents with as much information as allowable:
 - iii. The Board shall <u>not</u> hear about the transfers of a teacher prior to the public as transfers are appealable to the Board.

F. CONCERNS

(see also Policy 3 Role of Trustee Appendix B Trustee Working Relationships Guidelines)

- a. Trustee is to advise the Associate Superintendent immediately when a concern is heard:
 - i. When advising via email, cc to Superintendent;
 - ii. When speaking with the Associate Superintendent on the phone, the Associate Superintendent will follow up with an email re-outlining the concern to the Superintendent;
 - iii. The Associate Superintendent will acknowledge the information and give an idea of a timeline for resolving;
 - iv. Trustee will follow up with an email to the Associate (cc to Superintendent) if they do not hear back within a reasonable timeline;
 - v. The Associate Superintendent (cc to Superintendent) shall advise the Trustee when the concern is resolved, providing as much information as allowable.
- b. Trustees should always follow up with the person regarding the concern to ensure it is resolved.
- Trustees are responsible to communicate a concern directly with the Associate/Superintendent and <u>not</u> ask or assume the Chair will take it forward.

G. TRUSTEES ROLE IN EFFECTIVE COMMUNICATION

(see also Policy 3 Role of a Trustee)

- a. Keep confidential information, confidential no exceptions.
- b. Check emails, texts, and voicemail answering each in a timely manner.
- c. Respond to requests by staff with regards to travel ASAP. Try to keep changes to a minimum.
 - i. Please respond quickly to requests to ensure arrangements can be made for vou.
- d. When told something negative about Northland, acknowledge the information and indicate that you will look into it and get back to the individual;
 - i. Gather information on the details for Administration follow through.
 - ii. Always "challenge" negative comments (in a polite way) if you know they are not correct, if you feel comfortable doing so.
- e. When you have questions, feel free to ask the Administration.

The Board recognizes our critical role and responsibility in contributing to Truth and Reconciliation. The Board is committed to employment equity. 2024 Fall Budget Update

INFORMATION ITEM

Overview

The Board has requested three items to shape the 2023-24 Board budget and monthly reporting.

- 1. Revisit the total Board budget for 2023-24
- 2. Review and adjust the Board budget line items
- 3. Review and revise the monthly Board financial reporting and budget tracking

Analysis

The budget had been frozen for several years at \$553,750 with a temporary increase for the 2021 election. The budget total includes some items that vary and are driven by Trustee activity, while others are fixed (memberships for example). Since this budget was initially set in May 2019 costs have risen significantly, the number of trustees has declined slightly and Zoom has permitted easier remote operations.

There are also intermittent costs such as elections, superintendent recruitment, expenses within the mandate or new Board orientation that would require a temporary budget increase.

The table shows several scenarios for the Board to consider as well as the opportunity to edit each budget line item.

Alternatives

- The table provides an opportunity to calibrate the funds required for Board operations. Any changes will be included in the Fall Budget Update cycle
- For reporting and accounting the monthly Board operations report can include a Board level summary, the detail by Trustee and further expense categories including a budget by Trustee

RECOMMENDATION:

That the Board of Trustees authorize Administration to dispose of Unit 119 (building only), a 3 bedroom mobile home removed from Conklin, at fair market value.

BACKGROUND:

The Division purchased Unit 119 in 2001. With the Housing Department renovation and construction plan underway, it has become surplus to our requirements. It has been removed from the lot in Conklin and is in storage in Kinuso.

A public tender process will be used to ensure fair market value is received. If the tender price is insufficient, the unit will be sold through a public auction.

RISK ANALYSIS:

Low risk as a public sale process will be used to ensure fair market value is received.

Re: Regional Municipality of Wood Buffalo 2026 Alberta Summer Games Bid

Dear Don S. Wilson, Director, Multisport Games,

On behalf of the [INSERT ORGANIZATION], I am proud to support Wood Buffalo's bid to host the 2026 Alberta Summer Games.

The region has an impressive history of hosting major events, with the most recent 2023 Arctic Winter Games, the 2018 Alberta Winter Games, the 2015 Western Canada Summer Games, the 2004 Arctic Winter Games and the 2003 Alberta 55+ Games. This has created a legacy of strong leaders, experienced volunteers, and earned the region a reputation for its hospitality, dedication, state-of-the-art facilities, and diverse community spirit.

If the bid is successful, we are willing to provide expertise and available resources to ensure the games have the support required and are held up to the standard the Alberta Games has come to expect.

The Regional Municipality of Wood Buffalo has evolved into a dynamic and exciting community, powered by deep-rooted families, culturally diverse residents and an evolving industry. The community boasts world class recreation facilities, endless outdoor activities, modern accommodations and restaurants and welcomes all visitors with the traditional warmth and excitement of a northern community. [INSERT ORGANIZATION] believes the Regional Municipality of Wood Buffalo is more than capable of hosting a successful 2026 Alberta Summer Games.

We strongly encourage Alberta Culture to select the Regional Municipality of Wood Buffalo to host the 2026 Alberta Summer Games.

Kindest regards,
