Instructions

1. The proponent shall respond to the specifications on this form. Any proponent that responds on any other type of form will be considered non responsive. This form allows comparison of what is being offered by each proponent against the specification.
2. The proponent shall enter "YES" to the right of each item, if the proponent complies with the whole item.
 - a) If the proponent is meeting only a portion of the item or is offering an alternative he shall enter "EXCEPTION" to the right of each item and explain the exception including associated costs. If the explanation requires more space please provide an extra sheet noting heading.
 - b) If the proponent is not meeting the specifications or not providing the item enter "NO" to the right of each item.

Please note that taking an exception will not eliminate the proponent from being successful as long as there is an exception noted that can be evaluated.

3. The proponent shall supply with the proposal package appropriate brochures and/or documents.
